3. Seleccione “Español”.

The screenshot shows the MyChart by Epic interface. At the top right, there is a language selection menu with a red box around it, containing the options "English" and "Español". The user is logged in as "Copathy". The main navigation bar includes icons for Visits, Messages, Test Results, Billing Center, Talk to a Doctor, and Medications. Below the navigation bar, there are several action cards: a warning about contact information, a card to schedule a Primary Care Transfer of Care, an "Upcoming Delivery" card for May 17 (Wed) at NM Obstetrics and Gynecology, a card to schedule a Lab appointment, and a card for a Hemoglobin A1C test that is overdue.

No todo el contenido estará disponible en español. Algunos textos seguirán apareciendo en inglés.

The screenshot shows the MyChart by Epic interface with the language set to Spanish. The main heading is "Citas y visitas" (Appointments and visits). There is a "Programar una cita" (Schedule an appointment) button. Below this, there is a filter section for "Mostrar: Todos" (Show: All) and a "Más opciones del filtro" (More filter options) link. The "Próximas visitas" (Upcoming visits) section shows a card for "Próximo parto" (Next delivery) expected on Wednesday, May 17, 2023, at NM Obstetrics and Gynecology. The "Visitas pasadas" (Past visits) section shows a card for a "Past Appointment" on May 8, 2024, with J Linder, NM Primary Care.
