MARCH 10 2024

he is knowledgeable and makes effort

MARCH 10 2024

He's fast, but accurate and he knows his field.

MARCH 9 2024

Dr. M is friendly, confident and experienced. He was especially kind 24 hours post-procedure. My only suggestion to him would be to advise patients undergoing my procedure to really take it easy for the first week post-surgery (i.e., early recovery period was rougher than expected!)
